GENERAL CLAUSES TO EMERGENCY EQUIPMENT RENTAL AGREEMENT FORM OF-294

Since the equipment needs of the Government and availability of Contractor's equipment during an emergency cannot be determined in advance, it is mutually agreed that, upon request of the Government, the Contractor shall furnish the equipment listed hereon to the extent the Contractor is willing and able at the time of order. At time of dispatch a resource order number will be assigned. Contractor must furnish this number upon arrival and check in at the incident. When such equipment is furnished to the Government the following clauses shall apply:

CLAUSE 1. Condition of Equipment - All equipment furnished under this agreement must be in acceptable condition. The Government reserves the right to reject equipment which is not in safe and operative condition.

CLAUSE 2. Time under Hire - The time under hire shall start at the time agreed upon when equipment is ordered by the Government and end by notification to the Contractor by the Government that equipment is released except as provided in Clause 8.

CLAUSE 3. Transportation of Equipment - Equipment will be transported at Government expense from point of hire to the site of work and return, whether under its own power or by transport, except as provided in Clause 8.

CLAUSE 4. Operating Supplies - As identified in Block 6, operating supplies include fuel, oil, filters, lube/oil changes. Even though Block 6 may specify that all operating supplies are to be furnished by the Contractor (*wet*), the Government may, at its option, elect to furnish such supplies when necessary to keep the equipment operating. The cost of such supplies will be deducted from payment to the Contractor.

CLAUSE 5. Repairs - Repairs to equipment shall be made and paid for by the Contractor. The Government may, at its option, elect to make such repairs when necessary to keep the equipment operating. The cost of such repairs will be deducted from payment to the contractor.

CLAUSE 6. Timekeeping - Time will be recorded by the Government Agent responsible for ordering and/or directing use of each piece of equipment. Time will be recorded as follows:

- Hourly Rate - nearest quarter hour.
- Daily Rate - by calendar day except for first and last day, this will be recorded to nearest hour.
- Mileage Rate - nearest mile.

CLAUSE 7. Payments

- Rates of Payments - Rates for equipment hired with operator(s) include all operator(s) expenses. Payment for equipment and operator(s) furnished will be at rates specified and, except as provided in Clause 8, shall be in accordance with the following:
 - Work Rates (*column 11*) shall apply when equipment is under hire as ordered by the Government and on shift, including relocation of equipment under its own power.
 - Special Rates (*column 12*) shall apply when specified.
 - Guarantee. For each calendar day that equipment is under hire for at least 8 hours, the Government will pay not less than the amount shown in column 13. If equipment is under hire for less than 8 hours during a calendar day, the amount earned for that day will be not less than one-half the amount specified in column 13. The guarantee is not applicable to equipment hired under the Daily rate. Equipment under transport is time under hire and compensated through the Guarantee. If equipment is transported under its own power, it is compensated under the Work rate.
 - Daily Rate (*column 11*) - Payment will be made on basis of calendar days. For fractional days at the beginning and ending of time under hire, payment will be based on 50 percent of the Daily Rate for periods less than 8 hours.
- Method of Payment. Lump-sum payment will normally be processed at the end of the emergency. Payment for each calendar day will be made for (1) actual units ordered and performed under Work or Daily and/or Special rates or (2) the guarantee earned, whichever is the greatest amount.

CLAUSE 8. Exceptions

- No further payment under Clause 7 will accrue during any period that equipment under hire is not in a safe or operable condition or when Contractor furnished operator(s) is not available.
- If the Contractor withdraws equipment and/or operator(s) prior to being released by the Government, no further payment under Clause 7 shall accrue and the Contractor shall bear all costs of returning equipment and/or operator(s) to the point of hire.
- After inspection and acceptance for use, equipment and/or furnished operator(s) that cannot be replaced or equipment that cannot be repaired at the site of work by the Contractor or by the Government in accordance with Clause 5, within 24 hours, may be considered as being withdrawn by the Contractor in accordance with Paragraph B above, except that the Government will bear all costs of returning equipment and/or operator(s) to the point of hire as promptly as emergency conditions will allow.

CLAUSE 9. Meals and Bedding - When Government subsistence incident camps are available, meals and bedding for Contractor's operator(s) will be furnished without charge.

CLAUSE 10. Loss, Damage, or Destruction - The Government will assume risk for loss, damage, or destruction of equipment rented under this contract, provided that no reimbursement will be made for loss, damage, or destruction when (a) due to ordinary wear and tear, or (b) negligence of Contractor or Contractor's agents caused by or contributed to loss, damage, or destruction, or (c) damages caused by equipment defects unless such defects are caused by negligence of the Government or its employees.

CLAUSE 11. Contractor's Responsibility for Property and Personal Damages - Except as provided in Clause 10, the Contractor will be responsible for all damages to property and to persons, including third parties, that occur as a result of Contractor or Contractor's agents or employee fault or negligence. The term "third parties" is construed to include employees of the Government.

CLAUSE 12. Deductions - Unless specifically stated elsewhere in this agreement the cost of any supplies, materials, or services, including commissary, provided for the Contractor by the Government will be deducted from the payment to the Contractor.

CLAUSE 13. Personal Protective Equipment - The Government considers operators as fireline personnel who will use and wear specified articles of personal protective equipment. The following mandatory items will be issued by the Government, when not furnished by the Contractor, to operators performing within the scope of this agreement:

Operators shall wear the items of clothing issued and maintain the issued equipment in a usable and readily available condition. Upon completion of the contract assignment, all issued items of clothing or equipment shall be returned to the Government. Deductions will be made for all Government furnished protective equipment not returned by the Contractor.

CLAUSE 14. Service Contract Act - The following clause applies only when equipment is rented with operator. Except to the extent that an exemption or variation or tolerance would apply pursuant to 29 CFR 4-6 if this contract is in excess of \$2,500, the Contractor and any subcontractor hereunder shall pay all of his employees engaged in performing work on the contract not less than the minimum wage specified under Section 6(a)(1) of the Fair Labor Standards Act of 1938 expressed in 29 CFR Part 4. FAR 52.222-41 Service Contract Act of 1965, as amended (*May 1989*) is hereby incorporated by reference in this contract. SEE APPLICABLE WAGE DETERMINATION ATTACHED.
